

At first  
Mary didn't sense  
your presence,  
didn't know it was you  
there in the Garden.  
When she realised,  
her heart was filled  
with joy.

How often you are  
near to us  
and we don't realise!  
For you are never far  
from any of us.

Lord, help us to be  
aware of you close to us,  
so that your presence  
can bring us joy,  
a joy that makes our  
hearts sing  
**Alleluia!**
